Please keep the following information about your child's photo day(s). Each class is given a specific time to take photos. Each student will have a chance to take individual photos, and the class will take several group shots. If your child is in a combination class, please bring both tap and ballet or jazz shoes to the photo day. On photo day, please have your child in full costume, including performance tights, with light make-up. Make sure your child has no visible temporary tattoos, no nail polish, and hair is done in the style your teacher has required. All photos will be taken here at the studio. Please arrive 20 minutes before scheduled time as we can run ahead. You are not required to pay in advance for photos. Photos will be on a secure website for your viewing before you purchase.
